Ryan’s Law, Ensuring Asthma Friendly Schools

As you may be aware, Ryan’s Law, 2015, was recently passed by the Ontario Legislature. This piece of legislation is an important step to support the well-being of students with asthma in Ontario schools. If your child has asthma, we ask that you immediately contact the main office at your school to provide information about your child’s asthma medication. With your permission, your child will be allowed to carry his/her asthma medication while at school. The Ministry of Education website has resources on asthma that can be found at: http://www.edu.gov.on.ca/eng/healthyschools/anaphylaxis.html As a best practice and to support your child, please let the school know if your child has a medical condition so that the school is aware and can keep this information on file. If you have any questions, please do not hesitate to contact me directly.
